PURPOSE

Delegates will be introduced to Palestinian and Israeli Jews, Muslims, Christians and secularists who are working through international law for a just peace. What's going on? And what can be done to help move the situation toward inclusion, pluralism and equality? From what delegates learn and experience, they will be better equipped to work nonviolently for peace, justice, equality, freedom, human rights, and international law at home, in Israel and in Palestine, and throughout the world.
